RESOLUTION INCREASING WASTEWATER TREATMENT RATE RESOLUTION NO. 2017/6/5.3

WHEREAS, the City of Kingsford has a public sewer system, which includes a sanitary sewer collection system and storm water collection system; and

WHEREAS, the City of Kingsford's current sewer rate used for collection and maintenance of the system is \$4.40 per thousand gallons; and

WHEREAS, the City of Kingsford's current monthly sewer service fee is \$0.65 per month and has not been changed for over 30 years; and

WHEREAS, the City of Kingsford has completed an Asset Management Project funded through an MDEQ, SAW Grant that identified system deficiencies requiring corrective measures over the next several years; and

WHEREAS, the Kingsford City Council recommends that the City of Kingsford increase its service fee from \$0.65/month to \$2.65/month to fund the maintenance and repair costs identified in the Asset Management Report and consequent Asset Management Program; and

WHEREAS, Kingsford Code of Ordinances Section 40-104 provides that charged for sewage services may be established by adoption of a resolution of the Kingsford City Council.

NOW, THEREFORE, upon motion by Councilperson Flaminio and supported by Councilperson Erickson, it was resolved by the Council of the City of Kingsford as follows:

1. The service fee for the sewer system shall increase from \$0.65 per month to \$2.65 per month.
2. This increase shall be effective July 1, 2017.
3. This increase will be applicable to all users connected to the sanitary sewers including, but not limited to residential, industrial, commercial, institutional, and governmental.
4. This increase, as well as all other charges for sewage services shall continue to be shown on and collected with the City of Kingsford's utility billings.
